1. I'm generally of the speed events and special motor vehicles and motorcycles aware of the risks posed, and I know that I was in particular danger, possibly life-threatening, then, if I leave or to designated sites, the commandments and prohibitions, or is inconsistent with the provisions instructions and in failing to bar.

2. I commit myself to the Promoters, the organizers, serial operators, sports Wait authorities, police and their representatives adopted rules and instructions (written, oral and visual style) and absolutely immediately be followed. I know that staying in front of the track boundaries (barriers, Concrete elements, etc.), in restricted zones and security patrols and obvious danger points is strictly prohibited. I am committed to these areas and others as to the media or designated rapporteur places to enter under any circumstances. The organizers of the media specifically designated rapporteur places are on the track map, if one exists, otherwise. This I will see to the respective days of the event. As explicitly or designated spaces are also marked as such spectator seats.

3. I am aware that a breach of my obligations under paragraph 1 and 2 for the withdrawal of my press card and the reference of the event / the event site leads

4. I am aware that the use of television and video cameras without written permission of the owners and Administrator of the film and television rights requires. The illegal use of TV and video equipment leads to immediate withdrawal of the press card and a referral from the event / the event area. Be claimed by rightholders claims for damages for breach of the film and television rights made, I'd vouch for this.
